

submitted herewith at the end of the application.

#### REMARKS

In the Notice to Comply with Sequence Requirements mailed on March 6, 2001, the Office notes that the application is missing a copy of the Sequence Listing in computer readable form, as well as a statement declaring that the sequence listing information recorded in computer readable form is identical to the paper Sequence Listing.

Applicants now submit a paper copy of the Sequence Listing filed on October 27, 1998 in application number 09/071,591, to be included in the current application. The Sequence Listing filed in the 09/071,591 application on October 27, 1998 was revised to conform to the amendments made to 37 C.F.R. §§ 1.821-1.825 on July 1, 1998 and replaced the original Sequence Listing filed in that application. As is noted in the separately filed Statement under 37 C.F.R. § 1.821(e), the paper copy of the Sequence Listing submitted herewith is identical to the last computer readable form filed in the 09/071,591 application, and contains no new matter.
